

MT. LEHMAN VEGETABLE FARM

Job Posting - Warehouse Supervisor

Mt Lehman Greenhouses Ltd. is a family owned 19 acres greenhouse under glass. We grow and pack Long English Cucumbers and Sweet Bell Peppers. We pride ourselves on producing and distributing only the freshest, highest quality, and best tasting fruits and vegetables. We are currently accepting applications for Warehouse Supervisor to join our Greenhouse Operations team for the 2024 growing season.

JOB SUMMARY:

The Supervisor is responsible for the supervision, coordination and effective scheduling of labour to meet the daily goals for the warehouse and as well as meet all quality standards. Responsibilities includes but not limited to the following: -

- Supervise packhouse workers.
- Able to Operate electric jacks/forklifts, not mandatory but it will be a bonus.
- Assist in all food and health safety documentation on daily basis.
- Complete and conduct food safety and all other audits
- Comply with safety and other regulated policies and standards
- Assist in time-sensitive emergencies.
- In charge of all daily tagging, packing, and shipping orders

QUALIFICATION REQUIREMENTS

- Post-secondary education in related field
- Minimum 1 year of experience in a greenhouse or warehouse
- Must be a team player with good work ethic
- Must be able to work in a fast-paced multicultural and multilingual environment. Ability to communicate in Spanish is an asset but not mandatory.
- Must have good communication and organizational skills
- Have a valid BC driver's license and a reliable personal vehicle
- Strong computer skills
- Must have a certified food safe and first aid certificate

MT. LEHMAN VEGETABLE FARM

- Physically capable of regular warehouse jobs such as lifting and helping on the grading line if needed.

Hours and Salary

- Full time position, 40-50 hours per week, Monday to Saturday
- Salary dependent on experience and education
